## Angel Oak Award

The Angel Oak Award was established by the Exchange Club of Kiawah-Seabrook in 2012 to recognize a volunteer who has made an outstanding contribution to the people or quality of life of Johns Island, Wadmalaw Island, Kiawah Island, and/or Seabrook Island. As a part of the award, the Exchange Club makes a \$5000 donation to a local charitable organization or organizations of the recipient's choice. The recipient will receive a remembrance and his or her name will be inscribed on the Angel Oak Permanent Trophy. The award is recognized at the annual Angel Oak Awards Banquet at Wingate Place that includes a live band, wonderful meal and, best of all, great fellowship with Club members and their guests totaling over 150 people. Any South Carolina resident performing volunteer services related to our local islands' activities is eligible for the award. The award focuses on service to the target communities and, while service over time is considered, current year contributions are essential.

## 2023 Honoree ~ Dr. Louise Baucom

The Angel Oak Award Honoree for 2023 is Dr. Louise Baucom. Frankly, the Award selection committee was blown away by the breadth and depth of her volunteer activities. As her nominator, Shirley Salvo, stated it: "I know personally how essential she is to the Sea Islands Blessing Basket program, but there is no question that she is an extraordinary volunteer that makes a difference in so many areas of need." The committee agreed that Dr. Baucom is a worthy Angel Oak Award recipient due to her numerous volunteer activities that greatly benefit the residents of Johns and Wadmalaw islands.

Louise has been a volunteer for the Sea Islands Blessing Basket for the past six years. The Blessing Basket is a food distribution program that provides healthy food for economically disadvantaged families. Louise is the Volunteer Coordinator and is responsible for the recruiting and scheduling of 60+ volunteers each month that engage in the purchasing, packaging, delivery, and drive-through distribution to 265 families on the second Saturday of every month.

Louise and her husband Barry personally deliver several food packages to shut-ins each month. They also participate in Meals on Wheels by delivering meals to 19 Johns Island residents three times each week.

She has assisted another Angel Oak Award recipient, Allen Reed, in the very successful Angel Oak Elementary School Summer Program. She has represented the Church of Our Saviour in connection with the Betty Stringfellow High School Scholarships for Johns Island students.

Dr. Baucom is a member of The Sea Islands Hunger Awareness Foundation Board of Directors and is currently the Secretary.

Dr. Baucom has thirty-eight years of experience in the fields of elementary and higher education. Her early teaching career involved elementary school teaching in North and South Carolina, as well as six years teaching orthopedically handicapped. She earned a Master's degree in Special Education prior to entering the field of higher education and completing her Ph.D. in 1986. She taught teacher education courses and supervised elementary level student teachers at the University of North Carolina at Charlotte for twenty-seven years.

She moved to Johns Island in 2016 with her husband Barry and has two married children who live in Charlotte with her four grandchildren. Her son, Ryan, works for the non-profit Swim Across America as V.P of Marketing and her daughter, Blair, is a clinical counselor. Louise enjoys gardening, concerts and traveling abroad.
